Fax: 9746 3516

Dear Parents/Caregivers,

As a part of the Key Learning Areas PD/H/PE and CAPA Homebush Public School will again be participating in Dance Fever. All student s really benefited from the program last year and the school bought home the trophy at the dancing competition held at Homebush Bay, Let's see if we can keep it.

Dance fever is a 10 lesson program instructed by qualified and professional dancers. Students will have the oppportunity to learn a variety of popular and traditional dances.

As fitness and coordination are important for the health and vitality of children this program offers a fun and interesting way to improve and maintain fitness. All students will participate in class groups from Kindergarten to year 6.

It is expected that all students will participate in this fabulous program. An assessment of student's ability and effort will provide the basis of the PD/H/PE and CAPA report for the semester two.

The cost of the program for 10 lessons of instruction from highly professional and qualified dance teachers is \$33.00. This fee is payable to the office, **the final day for payments is the 1<sup>st</sup> of October, 2009.**

Thanking you for your payment
